We thought the cottage was lovely and very well equipped, everything we needed was provided. The patio doors suited us well being able to bring the dog in the back way to clean its feet rather than coming through the house which you sometimes have to do. It was nice being able to sit in the garden with the dogs and know they were safe. Your cottage is one of the most comfortable we have stayed in.

Just to say that we had a super week in your lovely cottage, the weather was very kind to us and I sat out in the garden most evenings. We loved the cottage and hope to be able to come again later in the year.

The kids loved it last year near the beach can we book it for two weeks in August?

We really loved it – I loved your place – very cosy and homely – I really couldn't fault it.
